I .What's CLiP HIROSHIMA

CLiP HIROSHIMA takes it's namesake from the word “clip” meaning to gather, group, or bring together.

Our goal is to “clip” people together through cars and through communication in an open environment.

Hitoto, a new space located in Higashi-Senda right in the heart of the city on the former grounds of Hiroshima University.

A place to inspire knowledge, give back to the community, and bring people together.
